Winnebago High School Celebrates Homecoming 2017

The Winnebago Indians last week Celebrated the 2017 Homecoming week with the Indians taking Rez Rival, Pender out back, to the wood shed, winning the Homecoming game by a score of 60-42. The game was a back and forth contest all afternoon, the game started at 3:00 pm with every other high school in Nebraska, because well, the Huskers played Illinois at 7:00 pm. The Homecoming Parade was held at 10 am, with Homecoming King, D'Von LaPointe and Queen, Isabel Earth, presiding over the days events. For these Seniors its their last year and it's a good thing they are going out with the W. And last but not least, the Winnebago Cheer Team and the Indian's fans. Go Big Blue!

Standing Rock Sioux Tribe ousts Dave Archambault as chairman in election

Thursday, September 28, 2017

The Standing Rock Sioux Tribe has a new leader.

Tribal citizens elected Mike Faith as chairman on Wednesday with 63 percent of the vote, The Associated Press reported. He defeated Dave Archambault, who led his people during the fight over the controversial Dakota Access Pipeline.

"I will continue to advocate for the issues facing our community and look forward to exploring new opportunities," Archambault said in a statement quoted by the AP. "I wish the new administration the best and look forward to a smooth transition, ensuring that we do not lose the powerful momentum we have at Standing Rock."

Faith has served on the tribal council for a total of 18 years, including a stint as vice chairman. He has worked for the tribe in its wildlife department.

Faith and other elected tribal leaders are due to sworn into office next month. Details of the inauguration ceremony have not been finalized.

The reservation spans the North Dakota and South Dakota border.

Winnebago News

Winnebago Tribal Membership & Employees

The Winnebago Tribe of Nebraska recently received notification from the IHS Office of Tribal Self-Governance that the Winnebago Tribe meets the financial stability and financial management capability criteria for participating in the Self-Governance Program.

This is a monumental achievement for the Winnebago Tribe. In order to be considered, the Winnebago Tribe must provide clean audits for the last three years, develop policies that adhere to the IHS Office of Tribal Self-Governance and request an informal review of these audits.

The Winnebago Tribal Council would like to congratulate the Winnebago Tribe's Finance Department for all the hard work and dedicated efforts towards this achievement. Additionally, the Winnebago Tribe would like to acknowledge the Directors and Program Managers for their effort in supporting this initiative so vital to the Tribe.

The leadership of the Winnebago Tribe of Nebraska has diligently worked towards this goal for the past two years resulting in another positive step towards the Winnebago Tribe perusing Self-Governance of the Winnebago Hospital.

This is an outstanding achievement! We look forward to another year of excellent progress in making this goal a reality.

Sharon Frenchman
Winnebago Tribe CEO

JESUS OUR SAVIOR LUTHERAN OUTREACH

Pastor Ricky Jacob

"What do you have against me?"

Have you ever felt this way? Have you ever asked someone this very question? Or have you ever wondered what Creator God has against you? This very question was asked by a widow whose son had just stopped breathing. She directed her question at Elijah, one of God's prophets "What have you against me, O man of God?" [1st Kings 17:8 ESV]

When experiencing the death of a loved one, we might have the same reaction. You and I have been told that God does not make mistakes, and therefore the death of a loved is not a mistake. This however does not alleviate the sting of death! These words often seem less than compassionate. But rest assured that Creator God is grieving over your loss as noted when Jesus wept over the death of his friend Lazarus.

This widow, who had already had her husband taken from her, went on to challenge Creator God by confronting His prophet with these words: "You have come to me to bring my sin to remembrance and to cause the death of my son!" Can you relate to her charge?

Have you ever wondered to yourself or screamed it out loud: "God are you reminding me of my sin by taking this child from me?" Do you ever contemplate what you have done or continue to do to result in the death of your loved one? Death is a grave reminder of the wages of sin.

Over your life time Creator God has blessed you in countless ways! When something that we dearly care about is taken from us, all these blessings seem not to matter in the least. If only, God would give us back our child!

Creator God desires to have you trust in Him above everything else. To trust in Him above everything else includes even your own flesh and blood. Creator God wants you to trust in His Word and promises. When Creator God speaks, only the truth is proclaimed, whether we believe it or not.

Creator God has promised life after death. While God's love is unconditional, extending to all creation, the hope of everlasting life is conditional. The promise of life in the new heavens on the new earth is assured only to those who place their faith in Creator God and His way of salvation. That way of salvation is through the very death of His beloved Son. Through Jesus' death comes the blessed and assured hope of life everlasting.

If you know the rest of the story of the widow and her dead son, it ends with good news. Before I tell you that ending, I want to tell you how Creator God had previously blessed this widow and her son. Elijah had been sent to her during a severe famine. She was preparing her final meal with the last of her flour and oil. Elijah told her that her oil and her flour would not run out until Creator God would shower the land with rain.

This widow was truly blessed by God; however this apparently did not lead her to trusting in God. Then tragedy struck in the death of her son.

Elijah took her child and prayed to Creator God. He cried out: "'O Lord my God, let this child's life come into him again." And the Lord listened to the voice of Elijah. And the life of the child came into him again, and he revived' [1st Kings 17:21b-22].

'And Elijah said, "See, your son lives." And the woman said to Elijah, "Now I know that you are a man of God, and that the word of the Lord in your mouth is truth"' [1st Kings 17:23b-24 ESV].

Sometimes it takes tragedy, a tornado, or fire, loss of a job, devastating divorce or separation, in order to focus or refocus our eyes on Creator God. Each Sunday Creator God invites you to His house at Jesus Our Savior Lutheran Church in order to bless you through the proclamation of His Sacred Word of hope: Sunday school and Bible study at 10; followed by Divine Service at 11.

Project STEP UP

Are you prepared for college?

Applying for Free Application for Federal Student Aid (FAFSA) is the first step to being prepared.

Log onto the FAFSA Homepage at URL:

https://fafsa.ed.gov

To complete your FAFSA application as a returning student, or as a new student.

What will I need to file for FAFSA?

- Your Social Security Number
- Your parent's Social Security Number (if you are a dependent student)
- Your driver's license number, if applicable
- Federal tax information, or tax returns including W-2 information for you (and your spouse if married), and for your parents (if you are a dependent student): IRS 1040, 1040A or 1040EZ
- Records for untaxed income; child support received, interest income and veterans noneducation benefits for you, and your parents (if you are a dependent student).
- Cash, savings and checking account balance information; investments (stocks, bonds, real estate but not the home you live in, business and farm assets).

Filing your FAFSA is a **REQUIREMENT** in becoming a Project Step Up Program participant, so we recommend doing this as soon as possible. If you need assistance, we will gladly help you.

"STEP UP TO YOUR POTENTIAL"

If you have question about the Project Step Up Program, or are interested in becoming a participant please contact the Project Step Up Program staff at:

SUICIDE IN INDIAN COUNTRY PART 5

Suicide Risk Factors

Mental disorders, particularly mood disorders, schizophrenia, anxiety disorders, and certain personality disorders

Alcohol and other substance use disorders

Hopelessness

Impulsive and/or aggressive tendencies

History of trauma or abuse

Major physical illnesses

Previous suicide attempt(s)

Stigma associated with asking for help

Lack of health care, especially mental health and substance abuse treatment

Cultural and religious beliefs, such as the belief that suicide is a noble resolution of a personal dilemma

Family history of suicide

Job or financial loss

Loss of relationship(s)

Easy access to lethal means

Local clusters of suicide

Lack of social support and sense of isolation

Exposure to others who have died by suicide (in real life or via the media and Internet)

Additional Risk Factors For American Indian/Alaska Native People

A history of interpersonal violence/abuse

Unwillingness to seek help because of stigma related to mental health, substance abuse disorders, or suicidal thoughts

Unemployment

Alcohol misuse/abuse

Economic instability and social disintegration

Perceived discrimination

Isolation on reservations, feeling cut off from other people

Local epidemics of suicide (called "Suicide Clusters")

Historical trauma and unresolved grief

Please take any conversation of someone wanting to end their life VERY seriously, and NEVER just brush it off as, “they are just joking, or they really don’t mean that”. Never assume someone is crying wolf or just wanting attention.

Message from the President’s Office at Little Priest Tribal College

Great news!

If you are one of the approximately 134 enrolled Winnebago Tribal Members that have an outstanding balance and owe Little Priest Tribal College, then you are eligible to participate in a special program that can help you pay off your bill and get you back into college.

Recently, the Winnebago Tribal Council successfully negotiated an easement with the Northern Natural Gas Company. Part of that reanegotiation has helped to fund a Winnebago Tribal Member education initiative, which includes Little Priest Tribal College.

You have two options to pay off or significantly pay down your bill. You can use one or both of the following options:

Option 1: The Little Priest Tribal College President Scholarship will be used to match any payment made toward your outstanding balance. The program is a dollar-for-dollar match.

Option 2: Little Priest is establishing a work repayment program for Winnebago Tribal Members to help pay off their debt to the college. The college will assign a work assignment to the eligible participant. A standard rate of $25 per hour will be used to calculate the value of the work assignment of which will go toward paying down the participants’ outstanding bill.

Both program options are on a first-come and first-serve basis. These funds are limited and once they are exhausted the program ends.

To participate in the program, an eligible participant must sign and agree to a Repayment Plan with the college Business Office.

Little Priest accepts major credit cards as one form of payment. Please take advantage of this opportunity because the college plans on filing a small claim in the Winnebago Tribal Court for the outstanding balance. If the claim is approved, the college will request the court too garnish tribal stimulus payments and your wages. An approved garnishment will be eligible for the dollar-for-dollar matching funds until the funds are exhausted.

The program is critical to the survival of the college as Winnebago Tribal Members owe the college approximately $195,265.00, respectively.

P lease call 402.878.2380 or come in to learn more about paying down or paying off your bill. In so doing, honoring our sacred relative Chief Little Priest.

Sincerely,

Maunka Morgan

Greetings from Your Community Diabetes Team,

Our team wanted to take this opportunity to announce some exciting changes coming to the community. Our monthly Endocrinology Clinic will be modified to a Diabetes Clinic that will take place on Thursday of every week. The increased frequency will allow greater patient flexibility for scheduling and better care coordination. This change was made to improve the care we can offer patients in this community and to better accommodate the busy lives of everyone who attends our clinic.

Dr. Shaheb is an incredibly busy man who flies around the world on a monthly basis. Unfortunately, he would be unable to accommodate our need for a more frequent clinic. We will be modifying our relationship with Dr. Shaheb so that we can utilize him in a potential telemedicine capacity for patients that would like to continue working with him from a distance.

In order to schedule a weekly Diabetes Clinic will be looking to hire someone locally as a provider so they are able to meet the demands that are necessary of a weekly clinic.

We understand that change can often be uncomfortable, but we hope you are able to bear with us as we transition into this new chapter of providing improved diabetes care to the community. We greatly appreciate Dr. Shaheb's work with the community over the years and extraordinary care he has shown toward our patients. We look forward to continuing our relationship with him in a different capacity.

Thank you for taking the time to learn a little bit about the changes we will be offering to the community and we look forward to continuing to grow and improve as a program in an effort to provide the best care to our patients. Stay tuned for more details regarding the Diabetes Clinic.

Sincerely,

The Whirling Thunder Wellness and Diabetes Team
