To: All

From: Environmental Protection Department

Re: Recycling

The Winnebago Community Recycling Program has been suspended until further notice due to Covid-19. At this time, we do not have an alternative to recycling being provided by the Program at this time. In addition, the Spring 2020 Community Cleanup is also postponed to a later date to limit employee exposure. Thank you for your understanding and patience during this time. Should you have any questions or concerns please contact Joleen Thiele at (402) 878-4060.
