

COVID-19 OPERATIONAL UPDATES

COVID-19 HOTLINE:
(402) 922-1508

PHARMACY

We are currently filling 90-day supplies for medications so that patients do not have to get their medications as often. We have also started a drive thru pharmacy out of the front door of the hospital (the main entrance). The drive thru pharmacy hours will be Monday through Friday from 8 AM-5 PM. Please call ahead to the Pharmacy at **(402) 878-3692** and your medications will be brought out to you as you drive up. Please be aware that we will have personal protective equipment on to protect our staff. We also can fill over the counter medications (like Tylenol and Ibuprofen) so a visit to the ER is not needed.
