

YCIC and Youth Shelter

Media update

The Winnebago Youth Shelter and YCIC housing units will be temporarily closed for cleaning, sanitization and training. YCIC assessment unit clients will continue to receive assessments, evaluations and ongoing therapy and treatment through our remote system to ensure social distancing. All other juvenile court services will also continue to operate remotely. If you have questions regarding our programming please reach out to Daryl LaPointe Jr at [daryl.lapointe@winnebagotribe.com](mailto:daryl.lapointe@winnebagotribe.com) for guidance in these matters.
