TITLE 8
NATURAL RESOURCES
(Revised November 6, 2009)

ARTICLE I
WILDLIFE AND PARKS
GENERAL PROVISIONS

8-101	Authority.	8-105	Winnebago Wildlife and Parks
8-102	Policy.		Commission.
8-103	Intent.	8-106	Name.
8-104	Effective Date.		

8-101 Authority. This Wildlife and Parks Code is enacted pursuant to:

1. The Constitution of the Winnebago Tribe of Nebraska as approved by the Secretary of the Interior on April 3, 1936; and
2. All relevant treaties entered into by the Winnebago Tribe of Nebraska and the United States of America; and
3. Title 16, United States Code, section 3371 et seq.; the “Lacey Act Amendments;” and
4. Title 18, United States Code, section 1163, 1164 and 1165. [TCR 87-77]

8-102 Policy. The Winnebago Tribe has historically, through tradition, custom, and ordinance, regulated and controlled hunting and fishing on reservation lands in order to protect and enhance Tribal resources and to ensure that those rights guaranteed by the United States government shall survive and inure to the benefit of future generations. It is the policy of the Tribal Council, in furtherance of conservation of Tribal natural resources for present and future generations, to implement Tribal civil and regulatory jurisdiction over hunting, fishing and recreation activities on reservation lands, and to provide fair and equitable procedures for every person who engages in activities subject to this Article. All wildlife now and hereafter found within the exterior boundaries of the Winnebago Indian Reservation, not held by private ownership lawfully acquired, are hereby declared to be property of the Winnebago Tribe of Nebraska and no right, title, interest, or property therein can be acquired or transferred or possession thereof had or maintained except as expressly provided herein. This Code and its provisions are regulatory and civil in nature. Penalties and fines imposed thereby are intended as restitution for the depletion of natural resources, and to discourage conduct contrary to these regulations, which have been adopted as codifying the prudent management interests of the Tribe’s natural resources. All prohibition established by this Code shall apply to and be enforced against all persons by civil enforcement procedure and by prosecution in the United States Courts. [TCR 87-77, 88-12, 93-84]

8-103 Intent. It shall be and is hereby established as the policy and intent of the Winnebago Wildlife and Parks Commission in conjunction with the Winnebago Tribal Council to establish the following:

1. To provide an adequate and flexible system for the protection and conservation of all Wildlife and Parks resources within the reservation of the Winnebago Tribe;
2. To provide for the establishment of rules, regulations and statutes relating to the harvest of Wildlife and Parks on the reservation of the Winnebago Tribe;
3. To provide for the general management and supervision of all wildlife and fishery activities on the reservation of the Winnebago Tribe;

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

4. To provide for the establishment of license requirements and to define prohibited acts and penalties in regard to wildlife and fishery activities on the reservation of the Winnebago Tribe. [TCR 87-77, 87-134, 93-84]

8-104 Effective Date. This Code supersedes all prior Codes regarding hunting and fishing, and shall become effective on the date of Tribal Council approval. [TCR 87-77]

8-105 Winnebago Wildlife and Parks Commission.

1. The Commission shall be appointed by the Tribal Council of the Winnebago Tribe of Nebraska. It shall be called the Winnebago Wildlife and Parks Commission. Said commission appointees shall serve for a three years' tenure. Said appointments shall be made by the Tribal Council and be made effective during the third week of October. Furthermore, said Commission shall consist of five Winnebago Tribal members, which include a chairman, vice-chairman, and secretary-treasurer. All officers shall be elected from within the commission membership.
2. Meetings: Any special meeting may be called at the discretion of the chairman or of a majority of other members of said commission should the necessity arise. The commission shall meet at least once every quarter, to conduct commission business, on a regular basis. Three members in attendance at a meeting shall constitute a quorum.
3. Vacancies: In the event that a vacancy should occur, the commission will recommend a new commissioner to serve for the remaining unexpired term. All such recommendations are subject to the approval of the Tribal Council.
4. Compensation of the members of said commission shall be set by the Tribal Council, to be paid out of the commission budget.
5. The lead Conservation Officer and professionals such as biologists or others with fish and/or wildlife expertise shall be hired/terminated or contracted by the commission as needed, subject to applicable contracting criteria as established by the Tribal Council. The lead Conservation Officer shall be responsible for hiring and supervising support staff and additional Conservation Officers as necessary to meet current needs of the department. Established Tribal personnel policies and procedures shall apply to all positions within the department. [TCR 05-02]
6. The commission shall submit an annual budget request to the Tribal Council. The Tribal Council shall allocate a commission budget. [TCR 87-77, 87-134, 88-91, 05-02]

8-106 Name. This Code of regulations and any additional statutory provisions pertaining to Wildlife and Parks adopted by the Tribal Council of the Winnebago Tribe shall be known as the Wildlife and Parks Code of the Winnebago Tribe and shall be enforced by the Tribal Court. [TCR 87-77, 88-91, 93-84, 05-02]

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

AGREEMENTS

8-107 Cooperative and reciprocal agreements.

8-107 Cooperative and reciprocal agreements. The Winnebago Wildlife and Parks Commission is hereby authorized, subject to the approval of the Winnebago Tribal Council, to enter into reciprocal and cooperative agreements with the State of Nebraska and any other governments or government agencies, federal or otherwise, for the purposes of promoting and implementing fishery and wildlife management programs. All such agreements will become part of the Wildlife and Parks Code. [TCR 87-77, 88-91]

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

WILDLIFE AND PARKS COMMISSION REGULATIONS

8-109	Regulations and statutes: contents.	8-115	Forfeiture.
8-110	Powers.	8-116	Civil liability.
8-111	Officers' duties.	8-117	Maximum penalties.
8-112	Search.	8-118	Non-game species.
8-113	Authority to enter private land.	8-119	Waiver provision.
8-114	Seizure without warrant.		

8-109 Regulations and statutes: contents. The Wildlife and Parks Commission may from time to time recommend to the Winnebago Tribal Council for the adoption, amendment, promulgation, or repeal of such regulations and statutory provisions as are consistent with the policy, objectives and intent of this Code as it may deem necessary or desirable in the public interest in carrying out the policy and provisions of this Code. Those hunting and fishing seasons currently in effect shall remain in effect until changed as provided for herein. The Wildlife and Parks Commission must, on or before the first day of September of each year, post in conspicuous places within the reservation notices stating the limitations as to seasons, bag limits and any moratoriums. A copy of said notice shall be provided to every person upon the issuance of a Tribal license or permit. [TCR 87-77, 93-84]

8-110 Powers. Such regulations and statutory provisions shall, without limiting the general powers herein conferred, include the following:

1. To fix seasons, and shorten, extend or close seasons on any species of wildlife in any specific locality or localities on the entire reservation, when it shall be found, after investigation, that such action is necessary either to insure maintenance of an adequate supply thereof, to regulate taking, to effectuate proper game management and control, or otherwise to be in the public interest of the Winnebago Tribe.
2. To close or open lakes, streams, and refuges or parts thereof to angling, trapping, or hunting, and to regulate and prescribe the means by which wildlife may be taken as may be best to perpetuate, restore, increase or control any species of wildlife and assure an adequate supply thereof, and regulate the transportation and storage of all wildlife or parts thereof within the boundaries of the Winnebago Indian reservation and the development or transportation off the Winnebago Indian reservation.
3. To establish or change bag limits and possession limits.
4. To establish and change territorial limits for taking of all species of wildlife.
5. To prescribe the types of or kinds of bait, lures, tackle, equipment, traps, firearms and weapons, the tagging of game or fish or parts thereof or any other means or device for taking of such wildlife.
6. To designate the areas for hunting with bow and arrow and seasons thereof.
7. To establish big game, small game, fish, waterfowl and/or forbearing animal refuges, production areas, demonstration areas, and research areas. When private property is to be included in one of the above, consent of the owner must first be obtained. Boundary lines may be posted at the usual place of ingress with signs bearing instructions and title of the commission of the Winnebago Tribe, in such a way that a person entering by such ingress shall be placed on notice that he/she is within the jurisdiction of the Winnebago Tribe.
8. To establish methods for checking hunters, fishermen, or trappers onto and out of designated areas, to prescribe safety and fire control measures and other regulations as may be deemed necessary in the interest of range, forest, wildlife, fish or forbearing animal management, and for the safety and welfare of hunters, trappers, fishermen, landowners and the Winnebago Tribe.
9. To establish fees and license costs for hunting seasons, general, special or otherwise,

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

10. To establish rules and regulations governing the operation of boats upon waters located within the exterior boundaries of the Winnebago Indian reservation.
11. To establish rules and regulations governing the operation of snowmobiles and other all-terrain recreational vehicles on the lands of the Winnebago Tribe, which shall also include aircraft.
12. To establish fees and license costs for issuing Commercial Fishing Licenses to Winnebago Tribal members. [TCR 87-77, 93-84, 10-17]

8-111 Officers' duties. It shall be the duty of the Tribal Conservation Officers to enforce the rules, regulations, and statutory provisions promulgated hereunder relating to hunting and fishing, trapping and all other regulations which may relate to all activities pursuant to the policy and intent of this Code and such officers may issue citations and bring before the proper Court any persons violating the provisions of this Code or any of the regulations, statutory provisions or rules adopted thereto pertaining to the policy, intent and purposes of this Code.

1. Upon the filing of a complaint, it shall be the duty of such officer to render assistance in the prosecution of the party complained against in the Winnebago Tribal Court.
2. All certified Conservation Officers and enforcement officers shall have the right to carry side arms upon their person; they shall be Courteous at all times; they shall not, at any time, partake of, or consume, illegal drugs or intoxicating liquor while on duty; they shall have the right to demand of all persons, hunting, fishing, or trapping on the reservation to display their Tribal license or permit for hunting, fishing, or trapping and sufficient personal identification for the purpose of enforcing the provisions of this Code.
3. Drinking of intoxicating beverages, or use of illegal drugs by the Tribal Conservation Officer or enforcement officer while on duty, shall be cause for immediate discharge from his/her position.
4. Each Tribal Conservation Officer shall act as an enforcement officer on the reservation, and may seek and request assistance from all federal and state officials, county sheriffs, and Bureau of Indian Affairs officers.
5. Each Tribal Conservation Officer shall keep an accurate daily log and record, setting out their activities as such Conservation Officers and enforcement officers for each day, and shall deliver the same to the Wildlife and Parks Commission or its designee prior to receiving their salary.
6. It shall be the duty of each Tribal Conservation Officer or enforcement officer on the reservation to issue a citation and summons to any person who he/she has probable cause to believe guilty of a violation of the provisions of this Code, and with or without a warrant, to open, enter, and examine all camps, wagons, cars, stables, barns, tents, and other places where he/she has reason to believe any fish or game taken in violation of this Code are to be found, and to confiscate the same; provided , a dwelling house on the reservation actually occupied, can be entered only upon authority of a search warrant. [TCR 87-77, 93- 84]

8-112 Search. A Tribal Conservation Officer may, without warrant but with probable cause, search any conveyance, vehicle, game bag, or any package, box, hunting camp or a similar place where he/she has reasonable belief that any animal has been killed or captured by the subject person within the reservation or any such animal has been brought onto the reservation, whether or not at the time the search was made he/she possesses actual knowledge or evidence that a violation of this Code, regulations, ordinances or rules adopted hereunder has occurred pertaining to hunting, fishing, or trapping. Any person who purchases a license from the Wildlife and Parks Commission who enters the reservation or who possesses any such dead or captured animal shall be deemed to have consented to such a search. [TCR 87-77, 10-17]

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

8-113 Authority to enter private land. Any officer, in the course of his/her duty, may enter upon any land or waters of the Winnebago Indian reservation and remain thereon while performing such duties hereunder, and such actions by such officers shall not constitute trespass. For the purpose of this Article, probable cause for seizure, the Tribal officer must find that:

1. The seizure is directly necessary to secure an important Tribal interest in preserving reservation wildlife, property and public safety from injury; or
2. There is a special need for prompt action because it is likely that persons and objects used by him/her to violate these statutory provisions will leave the reservation and not return. [TCR 87-77, 93-84]

8-114 Seizure without warrant. Any officer may, upon probable cause, seize without warrant, all birds, animals, or parts thereof taken, killed, transported, or possessed, contrary to the provisions of this Code or any regulation, rule or ordinance pertaining to hunting, fishing or trapping, and may seize without warrant, bows, guns, traps, nets, seines, decoys, boats, lights, fishing tackle, cars, trucks, ATVs, or such other device unlawfully used for hunting, fishing or trapping. Such officer shall issue a receipt to the person in possession of the items seized stating time, place, date, items seized, where such items will be held, and the name of the officer seizing said items. [TCR 87-77, 10-17]

8-115 Forfeiture.

1. Any property seized shall be subject to forfeiture at the order of the Tribal Court of the Winnebago Tribe after no less than fifteen days' notice and opportunity for hearing or trial as herewith set forth. In case it appears upon the sworn complaint of the officer making the seizures that any articles seized were not in the possession of any person, and that the owner thereof is unknown, the Court shall have the power and jurisdiction to forfeit such articles unknown by publishing such summons in any newspaper of general circulation in Thurston county for a period of two successive issues. The summons shall describe the articles seized and shall give the owner fifteen days from the date of publication to appear before the Tribal Court and contest the forfeiture. Any perishables seized may, in the interest of the public health, be donated to a local non-profit organization.
2. If it is determined that a violation of these statutory provisions is by a non-Indian and/or non-member Indian, and if it is determined that such alleged act or omission violates 18 U.S.C. section 1135 or other relevant law, such person and the related evidence may be taken before the appropriate federal authorities at the earliest opportunity for prosecution under the relevant federal laws. Such action may be in addition to Tribal remedies and civil penalties available under Tribal law.
3. In the event that the Tribal Court orders forfeiture of any article seized, such article shall be sold at auction with proceeds going to the Wildlife and Parks Department. If any articles are not declared forfeited by the order of the Tribal Court, they shall be returned to the person from whom seized upon satisfaction of any and all civil penalties, liquidated damages and costs. After the completion of the case and, if civil penalties and liquidated damages that are assessed by the Court are not paid within a period of time to be established by the Court, the Court may dispose of said property as described above.
4. In the event that final judgment dismisses the allegations against the alleged offender, all items seized shall be returned to the owner or person from whom taken.
5. If the offender is unable to pay any judgment levied against him/her, then the Tribal Court may order the forfeiture of any article lawfully seized, and have the profits therefrom applied to the amount owed to the Court. Any surplus shall be paid to the offender and any deficiency shall be an enforceable judgment through attachment, garnishment or other remedy available to the Tribe.

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

6. The Tribal Court shall be the recipient of all Court costs assessed and collected under this Code. The proceeds of any fines, judgments, or forfeitures assessed and collected by the Court in excess of such Court costs shall be paid by the Court to the Wildlife and Parks Commission to be used in carrying out its duties and obligations of the intents and purposes of this Code. [TCR 87-77, 88-91, 89-84, 93-84, 10-17]

8-116 Civil liability. Upon judgment entered in Tribal Court where the defendant has illegally taken, killed, or possessed any species of fish or wildlife, the defendant shall be liable for liquidated damages. In addition, the Tribal Court may impose the following additional remedies:

1. Forfeiture of weapons and gear used in violating these statutory provisions; and/or
2. Revocation of all Tribal hunting and fishing permits and licenses; and/or
3. Injunction against the issuance by the Tribe of any additional permits or licenses to the offender for up to five years; and/or
4. Payment of the costs for the Tribal Court proceeding. [TCR 87-77, 88-91, 93-84]

8-117 Maximum penalties. Any person who violates any provision of this Article not otherwise subject to a specific penalty provision shall be subject to a minimum penalty of \$100 and a maximum penalty of \$1,000.00 and/or loss of license. HUNTING, FISHING, TRAPPING without a proper and current Tribal license shall subject the defendant to, the following schedule of maximum penalties:

BIG GAME

Deer

130 Class and Below	\$1500.00
For above 130 Class	\$1500.00 plus \$10 per inch

[TCR 87-77, 88-91, 10-17]

8-118 Non-game species. All non-game species will have a minimum value of one hundred dollars (\$100.00) and a maximum value of five hundred dollars (\$500). Specific penalties for non-game species may be established by regulation of the Winnebago Tribal Wildlife and Parks Commission. [TCR 87-77, 88-91, 10-17]

8-119 Waiver provision. At any point prior to entry of judgment in any civil proceeding initiated under this Wildlife and Parks Code, a violator may pay to a Conservation Officer or the Tribal Court the civil fine established by the Code for the violation at issue, plus any Court costs which may have accrued. Said payment shall constitute an admission to the violation. Upon receipt of such payment, all confiscated property shall be returned to the individual. Thereupon, the Conservation Officer who participated in the initial action shall cause a notice of dismissal to be filed in the Tribal Court pursuant to the Winnebago Rules of Civil Procedure. 8-125	Basic license requirements.		

8-120 Residency. There is no residency requirement to purchase a license pursuant to this Code. [TCR 87-77]

8-121 Application for a license. Application for a license is made to the Winnebago Wildlife and Parks Commission. The licensee, as part of the application, must attest that he/she has read, understands and agrees to abide by all provisions of this Code. Only one license of any type may be purchased. [TCR 87-77]

8-122 Validating licenses. A licensee must sign his/her name in ink on each license to validate the license. Licenses are non-transferable and must be in the licensee's possession while hunting, fishing or trapping. A licensee must display his/her license upon demand of any Conservation Officer or other law enforcement officer. [TCR 87-77, 10-17]

8-123 License classes and fees.

1. Licenses: Licenses to HUNT, TRAP, and/or FISH, under this Code, are hereby classified as follows:
 - A. CLASS A-1 licenses to hunt, trap, or fish, shall be issued to Winnebago Tribal members (whether resident or non-resident).
 - B. CLASS A-2 licenses to Hunt, Trap, or Fish, shall be issued to non-Indians.
 - C. CLASS A-3 licenses to hunt, trap, or fish, shall be issued to non-member Indians.
2. License Fees: License fees shall be established annually by the Winnebago Wildlife and Parks Commission, and paid to said commission or its designee. Senior Citizens (age fifty five and older) who are members of the Winnebago Tribe shall be issued CLASS A-1 licenses free of charge.
3. Commercial Fishing Licenses: Commercial Fishing Licenses shall be available only to Winnebago Tribal members and shall only be granted upon a three (3) signature approval from the Commission. [TCR 87-77, 87-134, 88-91, 10-17]

8-124 Special permits. Special permits may be issued at the discretion of the Wildlife and Parks Commission for taking certain species for ceremonial or traditional purposes. Each special permit shall be limited to the taking of a single member of the species for which the permit was granted. Federal application forms for the acquisition of eagle parts from the federal government may be obtained from the Winnebago Wildlife and Parks Commission. [TCR 87-77, 87-134, 88-91]

8-125 Basic license requirements. The license to hunt is a prerequisite to all hunting, fishing, and trapping.

1. No license can be issued to any person under twelve years of age.

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

2. A license to hunt may be issued to a person under the age of sixteen provided he/she is accompanied by a parent, guardian, or responsible adult when hunting or has successfully completed a firearms safety course when applying for a license.
3. Persons under the age of sixteen may fish without a license. [TCR 87-77, 88-91, 10-17]

8-126 Number of licenses issued. Limitations as to the number of licenses issued in each class of license shall be determined annually by the Wildlife and Parks Commission. [TCR 87-77, 88-91]

8-127 Season limitations. Limitations as to seasons shall be established annually by the Winnebago Wildlife and Parks Commission. All hunting, trapping, and fishing seasons shall be closed except as opened by the Wildlife and Parks Commission. Moratoriums on the taking of specific species may be established annually by the Wildlife and Parks Commission. [TCR 87-77, 88-91]

8-128 Bag limits. No person shall take more than one daily bag limit on any one day. Daily bag limits shall be determined annually by the Wildlife and Parks Commission. [TCR 87-77, 88-91]

8-129 Lost licenses. Lost licenses may be replaced by the Wildlife and Parks Commission. [TCR 87-77, 88-91]

8-130 Revoked licenses. In any case where a person is convicted of violating any provision of this Code punishable by a fine of more than one hundred dollars (\$100.00), or of violating any other rule or regulation promulgated pursuant to this Code, including but not limited to hunting, trapping, fishing or possessing wildlife without a license or during a closed season, the Court may revoke said person's hunting, trapping, or fishing privileges for up to five years following such conviction. 8-137 Tagging. No person shall give, put or leave any migratory bird at any place or in the custody of another person unless the birds are tagged by the hunter with the following information:

1. The hunter's signature.
2. The hunter's address.
3. The total number of birds involved, by species.
4. The dates and locations such birds were killed.

Tagging is required if the birds are being transported by another person for the hunter, or if the birds have been left for cleaning, storage (including temporary storage), shipment, or taxidermy services. [TCR 87-77]

8-138 Possession of live birds. Crippled birds must be immediately killed. [TCR 87-77]

8-139 Dressing. No person shall completely dress any game bird (except doves) and then transport the birds from the field to one's home or to a commercial preservation facility. [TCR 87-77]

8-140 Shipment. No person shall ship migratory game birds unless the package is marked on the outside with:

1. The name and address of the person sending the birds;
2. The name and address of the person to whom the birds are being sent;
3. The number of birds, by species, contained in the package;
4. The dates and locations such birds were killed. [TCR 87-77]

8-144	Bow and arrow.	8-148	Hunter orange.
8-145	Legal animals.	8-149	Big game hunting.

8-142 Shooting hours. One-half hour before sunrise to one-half hour after sunset. [TCR 87-77]

8-143 Firearms. No auto-loading firearm that is capable of holding more than six cartridges nor any firearm that is capable of being operated as a fully automatic may be used.

1. It is prohibited to use any firearm of .22 caliber or less in the hunting of big game or waterfowl.
2. Muzzle-loading rifles must be .44 caliber or larger. Shotguns must discharge a single ball or rifled slug weighing at least one-half ounce. Buckshot may not be used. [TCR 87-77]

8-144 Bow and arrow. Minimum bow pull is forty pounds, and bow must be able to shoot an arrow one hundred twenty five yards. Cutting edge of the arrowhead must be of steel and not less than seven eighths of an inch long. The shaft of the arrow must be at least twenty four inches long. Explosives, poisonous and barbed points, and crossbows are illegal. [TCR 87-77]

8-145 Legal animals. The following definitions apply to big game:

1. Big game includes wild turkeys, white-tailed deer, mule deer, antelope, elk, buffalo and moose.
2. Buck or bull means a male animal with a visible antler.
3. Antlerless means an animal of either sex without a visible antler. [TCR 87-77]

8-146 Non-licensees. No big game licensee hunting in the field during any big game season shall be accompanied by a non-licensee carrying any firearm or bow and arrow. A non-licensee is a person not having a big game license for the same season and unit as the licensee. [TCR 87-77]

8-147 Tagging and transportation. The seal issued with each license must be signed, dated and securely attached to the animal as provided in the instructions on the seal at the time the game is brought to a road or into any hunting camp, farmyard, dwelling, or place of abode, or before the game is placed in or on a vehicle.

1. Tagging allows a big game animal to be transported or stored by the hunter or by another person for the hunter.
2. To transport parts of a big game animal, a free transportation and shipping permit must be obtained from the Wildlife and Parks Commission or Conservation Officer for those parts not accompanied by the tag.
3. No person shall transport or possess any big game animal without the accompaniment of the animal's head and hide (to promptly identify species and sex) unless he/she has a receipt from a licensed taxidermist or a free transportation and shipping permit obtained from the Wildlife and Parks Commission or Conservation Officer. [TCR 87-77]

8-148 Hunter orange. Any person hunting big game, other than wild turkeys, with a firearm or bow and arrow, shall display on his/her chest and back a garment of bright orange or red material covering at least two thirds of his/her torso. [TCR 87-77, 88-91]

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

8-149 Big game hunting. The Wildlife and Parks Commission shall set the big game hunting regulations and seasons.

1. The Wildlife and Parks Commission shall, at its discretion, and upon application of any member or members of the Tribe of Winnebago Indians, have the right to grant a special permit to take or kill a big game in the off-season.
2. It shall be unlawful to chase, run, or harass any big game with a motor vehicle of any kind, or to shoot, shoot at, take or attempt to take any big game from a motor vehicle while it is under way or moving, or to use a spotlight or other artificial lighting device.
3. All big game hunters, other than those licensed for and hunting wild turkeys, shall wear a bright orange or red outer garment and failure to comply with this regulation, shall constitute a violation under this Code.
4. Hunters shall observe the hours set forth by the Wildlife and Parks Commission which are set as follows: hunting permitted only from one-half hour prior to sunrise to one-half hour after sunset.
5. Any big game accidentally hit and killed by a motorized vehicle must be reported to the Wildlife and Parks Commission, Conservation Officer, or other enforcement officers within twenty four hours. [TCR 87-77, 87-134, 88-91, 10-17]

19. Hunt, trap or fish on any part of the Winnebago Tribal reservation without first obtaining a Winnebago Tribal permit or license.
20. Be intoxicated while hunting or fishing on the reservation; and any person found intoxicated on the reservation while hunting or fishing shall be charged and prosecuted for such violation.
21. Take or attempt to take any wildlife by means of using a snare. [TCR 87-77, 88-91, 10-17]

8-151 Flagging. No person shall flag, mark or otherwise attempt to claim any specific place or area for hunting, trapping or fishing purposes. [TCR 87-77, 88-91]

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

8-152 Visible bait. No person shall set any trap within thirty feet of any exposed bait visible to airborne raptors. Exposed bait means bodies, meat or viscera of any animal bird or fish with or without skin, hide or feathers. [TCR 87-77]

8-153 Raw furs. The raw furs of animals legally trapped may be possessed after the close of the season, provided all furs are checked with a Conservation Officer within ten days after the close of the season. [TCR 87-77, 10-17]

8-154 Trap checking. Trappers must check all traps at least every twenty four hours. [TCR 87-77]

8-155 Live furbearers. Live furbearers may not be altered physically, bartered or possessed except one family of live furbearers per household may be kept as pets. [TCR 87-77]

8-156 Fishing regulations. Limits on the taking of game fish shall be established by the Wildlife and Parks Commission annually. There are no limits on the number of rough fish that may be taken. The limit for paddlefish is one per day. Any paddlefish snagged must be counted as the daily limit. Fish may not be sold or caught with any type of net without a commercial fishing license issued by the Wildlife and Parks Commission. It is unlawful to use any explosives in the taking of fish. [TCR 87-77, 88-91]

8-157 Trespass. Except as otherwise provided in Section 8-158, no person shall trespass on any private or allotted lands within the exterior boundaries of the Winnebago reservation without permission from the owner. [TCR 87-77, 88-91]

8-158 Retrieval. Any person may retrieve lawfully taken small and big game from private, deeded or allotted land if you do not use a vehicle to make your retrieval. Remember, to be lawfully taken, game must have been shot within open areas or areas where permission has been granted. [TCR 87-77, 88-91]

8-159 Harassment. No person may intentionally interfere with persons lawfully engaged in taking or attempting to take game or fish. No person may scare or disturb game with specific intent to prevent lawful taking. [TCR 87-77, 88-91]

8-160 Livestock and fences. No livestock, fences, or other property belonging to the Tribe, landowner, or lessee may be damaged or disturbed in any manner. [TCR 87-77, 88-91]

8-173	Responsibility of the Senior Conservation Officer.		

8-167 Definitions.

1. “Certified instructor” shall mean an individual trained and certified by the Bureau of Indian Affairs as qualified to train and test in the standards required by the agency.
2. “Physical Efficiency Battery” (PEB) is defined as a series of tests approved by the Bureau of Indian Affairs Law Enforcement designed to measure physical proficiency. [TCR 96-74]

8-168 Firearms policy. It is the policy of the Winnebago Tribe of Nebraska, Department of Wildlife and Parks that all Tribal Conservation Officers may be authorized to carry sidearms for their safety and protection. Tribal Conservation Officers may be authorized to carry firearms during official duty hours or marksmanship training. All Tribal Conservation Officers will utilize department issued firearms. Any firearm that is capable of being operated as a fully automatic weapon is prohibited. Authorized firearms for Tribal Conservation Officers are:

1. Handgun. Winnebago Tribal Conservation Officers shall be issued handguns and ammunition approved by the Supervisor, Department of Wildlife and Parks and the Bureau of Indian Affairs Law Enforcement supervising officer. The use of any other types of handguns other than that authorized is prohibited. The barrel length may not be more than four inches or less than four inches.
2. Rifle. Winnebago Tribal Conservation Officers shall use the Department of Wildlife and Parks’ .22 magnum rifle, for the purpose of harvesting small game species for special permits or to destroy a seriously injured or dangerous animal.
3. 12 gauge shotgun. Winnebago Tribal Conservation Officers shall use the Department of Wildlife and Parks’ 12 gauge shotgun capable of holding no more than six (6) cartridges. The 12 gauge shotgun will be authorized only for harvesting upland bird, turkey and waterfowl species for special permits. [TCR 96-74, 10-17]

8-169 Administration of firearms. The firearms policy shall be administered by the Supervisor of the Wildlife and Parks Department. The firearms policy may be amended at any time by Resolution of the Winnebago Tribal Council. [TCR 96-74]

8-170 Firearms; record. Receipts for issued firearms shall be maintained in a file established under the control of the Supervisor, Department of Wildlife and Parks, who is responsible for assuring such records are current and accurate. [TCR 96-74]

8-171 Initial qualification requirements. Winnebago Tribal Conservation Officers are required to attend and successfully complete the Bureau of Indian Affairs Basic Police Training course as a requisite for position qualification and employment.

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

1. Conservation Officers are required to receive four (4) hours of training in the use of weapons, policy and safety and be certified by the Bureau of Indian Affairs law enforcement firearms instructor by achieving a score of 70% or better. Conservation Officers must re-certify with a score of 70% or better every six (6) months to be qualified to carry a sidearm.
2. An Officer who fails to qualify with a score of 70% or better may be re-tested one week later. Any Officer who fails to qualify shall be reassigned to duties that do not require the use of firearms. Any Tribal Conservation Officer who fails to qualify after three attempts within a 30 day period shall be terminated.
3. Tribal Conservation Officers must qualify with a score of 70% accuracy marksmanship for use of a shotgun and rifle as established by the certified firearms instructor. A Conservation Officer who fails to qualify as a marksman may be re-tested one week later. Any Officer who fails to qualify after three attempts within a 30 day period shall be terminated.
4. Lapse of firearms qualification. Whenever a Tribal Conservation Officer's firearms qualification lapses, the Supervisor of the Department of Wildlife and Parks shall request the return of the issued firearm until the Officer re-qualifies as specified.
5. Firearms cleaning. Each Officer shall clean the issued firearms at least once every two weeks or after each use.
6. Wearing of a firearm. Tribal Conservation Officers shall carry sidearms in full view at all times when on duty. Tribal Conservation Officers are strictly prohibited to carry department issued firearms while off duty and are prohibited to carry firearms outside the exterior boundaries of the Winnebago reservation unless en route to other Tribally-owned wildlife areas. Failure to comply will result in disciplinary action.
7. Any part time or temporary Tribal Conservation Officers shall be prohibited to carry or use a firearm unless they have achieved proper training and certification.
8. Firearms inspections. The Senior Conservation Officer shall conduct monthly firearms inspections or as necessary and record the results of the inspection on the Officer's monthly report. Weapons inspection deficiencies require the Senior Conservation Officer to take immediate corrective action to correct the deficiency. Failure to correct the deficiency shall result in the surrender of the firearm.
9. Firearms storage. All department issued firearms and ammunition shall be stored at the Winnebago Police Department. The proper storage of firearms shall include rendering firearms inoperable by installing a safety lock on the firearm and placing the firearm in a gun safe. [TCR 96-74, 05-02, 10-17]

8-172 Procedures when a firearm is used.

1. Conservation Officers shall prepare a written report within 6 hours stating all facts in the drawing or firing of a weapon, except while in marksmanship training or while harvesting an animal species for a special permit. The Conservation Officer shall report the incident of firing his/her weapons to the designated supervisor immediately.
2. While on duty, if a Tribal Conservation Officer has injured or caused death to a human being, the Officer shall immediately notify his/her supervisor. [TCR 96-74]

8-173 Responsibility of the Senior Conservation Officer.

1. Upon receipt of a verbal or written report that a firearm has been discharged without injury to any person or damaging, defacing or destroying private or Tribal properties, the Senior Conservation Officer shall investigate the incident with the proper law enforcement agency and shall submit a verbal and written report of the findings to his/her supervisor.
2. Immediately upon receipt of a verbal or written report that a Conservation Officer has injured or caused death with a firearm, it shall be the responsibility of the Senior Conservation Officer to

WINNEBAGO TRIBAL CODE
TITLE 8 ARTICLE 1

immediately notify his/her supervisor and the proper law enforcement agency for investigation. The Senior Conservation Officer shall investigate the incident with the lead law enforcement agency. When the investigation is complete, the Senior Conservation Officer shall submit a verbal and written report of the findings to his/her supervisor.

3. If the Senior Conservation Officer caused the injury or death, the supervisor of the Wildlife and Parks Department shall contact the proper law enforcement agency to conduct a thorough investigation. [TCR 96-74]

8-175 Responsibility of the Chief Administrative Officer. Upon notification that any Tribal Conservation Officer has injured, caused death or has shown inappropriate behavior with a firearm, it shall be the responsibility of the Chief Administrative Officer to provide a copy of the Wildlife and Parks Supervisor's report and recommendations to the Winnebago Tribal Council. Upon receipt of the report, the Winnebago Tribal Council may request a meeting with the parties involved. [TCR 96-74]

8-176 Medical standards.

1. The health of the Conservation Officers and applicants must be such that the individuals have the capacity to meet the demands for performance in the position and for human reliability. Conservation Officers and applicants must undergo a physical examination and be physically and medically capable of performing the essential duties of the position efficiently and without hazard to themselves or others. Failure to meet any of the required physical qualifications shall disqualify the applicant or employee except when medical evidence is presented that the individual can perform the functions of the job efficiently with reasonable accommodation.
2. Each Conservation Officer shall be required to take an annual physical examination performed by a physician designated by the Winnebago Tribe. If a Conservation Officer, after a physician's examination, is not found to be medically fit for duty, the Officer will be placed on medical light duty which will not require the use of a firearm and have three months to receive medical treatment for the condition. If the Officer shows improvement within the three months, he/she may remain on medical light duty for an additional three months if the physician deems necessary. If after the initial three month medical light duty the physician finds the employee is not medically fit for duty nor can reasonably be treated to become medically fit within an additional three months, the employee will be medically discharged.
3. PEB testing shall be given to Conservation Officers every six months. The Department of Wildlife and Parks Supervisor and the Bureau of Indian Affairs Law Enforcement certified PEB Instructor shall both insure that each Tribal Conservation Officer has successfully completed the PEB test. The established PEB procedures outlined in the PEB Manual will be used on a pass/fail system. The testing shall be conducted by a certified PEB Instructor. The Conservation Officers are required to achieve a score of 70% or better. Any Officer who fails to qualify as being physically fit shall re-test no more than three times in a six week period. Failure to achieve the 70% score after three re-tests will result in termination.
4. Applicants and Conservation Officers must be free from any acute or chronic psychiatric, mental or neurological condition which would be a hindrance in the full performance of the scope of work and essential duties of the position. A psychological evaluation shall be performed on all current Conservation Officers and all applicants with satisfactory results prior to weapons certification and on an annual basis thereafter for the term of employment. [TCR 96-74, 10-17]

8-177 Misconduct.

1. The use of firearms for the purpose of intimidation, recreational use or for criminal purposes is prohibited.

8-201 Purposes. The purposes of this Article shall be:

1. To promote the protection and use of the waters of the reservation in a manner consistent with Tribal goals and policies;
2. To protect the health, welfare, economic strength, and cultural heritage of the Tribe and its members;
3. To maintain water quality, free-flowing streams, and a healthy environment associated with waters of the reservation;
4. To assert the inherent powers of self-government and sovereign authority of the Winnebago Tribe of Nebraska over all actions taken within the reservation that may affect the use or quality of reservation waters;
5. To provide for effective and coordinated management of regional water supplies with Tribal, state, federal and local governments; and
6. To initiate an integrated approach by the Tribe to managing the waters, forests, wildlife, land, and other natural resources of the reservation. [TCR 87-82]

8-202 Major actions. In order to effectuate the policies in section 8-201, this Article shall:

1. Establish a water resource committee;
2. Initiate a water use inventory;
3. Require that all future water uses be registered with the Tribe; and
4. Lay the groundwork for developing water quality control programs, water regulatory Codes, and integrated resource management strategies. [TCR 87-82]

8-203 Definitions. The following words and terms shall be defined as follows when used in this Article:

1. "Administrator" means the water administrator of the Tribe appointed and supervised by the water resource committee.
2. "Committee" means the water resource committee established under Sections 8-205, 8-206 and 8-207 of this Article.
3. "Person" includes any individual corporation, association, unit of government, organization, or other legal entity.
